**ADVANCE
2012**

**Look around your table and ask:
"How many guys are coming that are in their 20's and 30's?"**

It's time that the *Waterboyz* got serious about discipling the next generation of believers...

Will you have a part of the action or will you be on the sidelines;
Will you stay in the comfort zone of only connecting with men your age?

Everyone has a role to play...
Maybe yours is discipling a younger man...
Maybe you first need to learn about how to be an effective disciple...
Maybe you are looking for a wise and Godly man to mentor you....

God is doing a miraculous thing through the *Waterboyz* ministry.

Let's not let that die with us...
Let's pass the torch to the next generation!

Come to this year's Advance - be challenged - be encouraged- be stirred to action!
It's time to "Raise Up the Next Generation." What will your role be?

***Even when I am old and gray, do not forsake me, O God,
till I declare your power to the next generation, your might to all who are to come.***

Psalm 71:18
