Seating will be general admission. Adult tickets: \$10.00, Children: \$5.00.

Funds raised from the event, and the group's tour will benefit the school building and other community support and development efforts already underway by their group back in Uganda. In order to preserve funds, these dedicated Children have been staying with sponsor families while here in the U.S.

In 2008, these "Ambassadors for children in Africa orphaned by AIDS" toured England, Northern Ireland, Sweden, Denmark, and the West and East coast of the United States. They have released three 12-track albums and have performed at festivals including the famous Choral Denmark Festival, in schools, churches, leisure parks, and on Radio and television. All of the children are multi-talented including speaking several languages, singing, dancing, acting, and playing traditional music instruments.

*Tickets can be purchased
at the door or online at:
